IELTS Testing at Hawthorn

Over the past 18 months, IELTS testing centres in Australia have experienced an increase in the number of candidates needing to take the test. Testing centres in Victoria were particularly effected.

In response to this increased demand, IELTS Australia have opened additional centres in Victoria, however at peak times, it is still sometimes difficult for a candidate to get their first preferences of testing date.

IELTS Tests are conducted at the Hawthorn campus twice per month. These tests have limited availability and can fill up very quickly. We would encourage students to apply for their test as soon as possible to avoid disappointment.

Should you have any questions for the IELTS Testing Centre at Hawthorn, please contact:
